Dear Faithful of the Saints Sahag & Mesrob Community,

Greetings in the Name of our Lord Jesus Christ

With our annual Church Bazaar nearly upon us, our kitchen has been in full service with many dedicated volunteers busy making preparations in anticipation of the big event. The tourshi is completed, and now we have the sweet smell of freshly baked choreg, wafting throughout the building!

We look forward to your participation at our annual Church Bazaar, on November 3 and 4, which is our most significant fundraiser of the year. We appreciate all of your support to ensure our bazaar is a great success! **Please consider these important ways to increase the revenues for our bazaar:**

Becoming a sponsor of our Church resource book: Once again, we will have a reference book that is professionally printed and filled with important information about our church, culture and community. This year's theme will highlight the strength of our Armenian women and saints and their great contributions to both our Church and culture.

Supporting our Wish List: Help make our wishes come true for the most successful bazaar yet by underwriting the costs of much needed groceries and other key supplies.

Donating Prizes and Gift Certificates for our Raffle and Silent Auction: Please consider making a donation of items if you have a business or connections in the business community. It would be a great help to us in securing some gift certificates for restaurants and shops for our daily raffle and silent auction. We need sporting event tickets, gadgets like I-Pods or I-Pads, gift baskets, wine/liquor, anything that would be helpful to our bazaar programs.

We hope that you will support our bazaar in numerous ways, and most of all, we welcome your presence in celebrating our 88th annual Armenian Food Fair and Bazaar. With your help we will surely reap a great harvest!

God Bless you and your loved ones for all of your participation in the life of our Church.

Prayerfully,

Rev. Fr. Shnork Souin, Pastor
